REPORT OF THE COUNTY COMMISSIONERS.

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailer, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1916.

County Farm.

At the beginning of our report it becomes our sad duty to announce the death of Superintendent Fred G. Evans, which occurred at the farm on Christmas morning after a brief illness. Mr. Evans entered the employ of the County, December 9, 1903 and, together with Mrs. Evans, has been continually employed there since, which is a record for continued service.

Mr. Evans was appointed Superintendent March 1, 1909. From the date of his appointment he devoted his best efforts to the betterment and improvement of the institution and in which, we are glad to say, he was highly successful. He enjoyed the respect of all connected with the farm as well as that of a large acquaintance throughout the County. With his passing, Merrimack County loses a consciencious, faithful, efficient servant and the community at large an upright and honored citizen.

The report of the Superintendent on another page, which has been prepared by the Matron, Mrs. Ada E.

Evans, shows that the number of people at the institution during the past year has not been quite so large as in some years past. The buildings are all in excellent repair and will probably not require any great outlay for some time. The herd of Holstein cattle is being constantly improved and the county now has a herd of which it need not be ashamed.

County Poor Away from Farm.

The sum of $34,812.32 was expended during the year 1916 for the care of County charges away from the farm. This includes the board and care of children in private homes and orphanages.

Jail.

The number of commitments to the Jail during the past year were below the average. The Jail continues in direct charge of High Sheriff Charles P. Smith, who has, as always, rendered most satisfactory service.

Finances of the County.

For the first time in practically all its history, we are able to say that Merrimack County is free from debt. The last outstanding bond was paid in October and there are no notes against the County. All bills which were presented for payment on the 31st of December have been paid. The Treasurer had a cash balance of $15,346.45 in his hands at the close of business, Dec. 31, 1916.

The valuation of the County property is as follows:

Almshouse, Court House and Jail,	$211,648.66
Personal Property at Court House,	4,930.00
Personal property at Almshouse,	29,825.29
Personal property at Jail,	470.00

In presenting this report we take the opportunity to extend our thanks and appreciation to the officers and citizens of Merrimack County for their loyal support and hearty co-operation.

Respectfully submitted,

Arthur, H. Britton,
John F. Jewell,
John G. McQuilkin,
Commissioners of Merrimack County.

TREASURER'S REPORT.

We hereby certify that we have audited the accounts of the county commissioners, county treasurer and superintendent of the county farm, from January 1, 1916 to January 1, 1917 and have found the same correctly cast and supported by proper vouchers. REPORT OF THE CHAPLAIN

During the year past the chaplain has attended to his duties with a growing sense of the value of this office in its relation to the purpose for which this institution exists. He has aimed to summon those moral reserves and to awaken those religious ideals which give courage and comfort to the struggling souls, and security to the social order.

Interest in the Sunday afternoon service has been maintained. The Boscawen church, as customary in years past, has furnished the music which has been much enjoyed by all. The thanks of the institution are due the ladies who have led in this work as well as to the adults and the children who have assisted in the services.

As occasion has offered, I have visited those needing such ministrations and have performed the last rites for lonely lives who have finished their earthly course.

The institution has been benefitted by the very able management of the Superintendent and the Matron, Mr. and Mrs. Evans. In the death of Mr. Evans on Christmas morning, the institution lost a Superintendent who gave in its service the best years of his life. Others are better qualified to value him as a business manager. I saw him from another point of view. To me he was the genial man, the kindly friend, the reverent soul, the good listener and the warm sympathizer with the aims and purposes of my work.

The occasional presence here of a few children is a sympton of a disease affecting the entire social body which demands first the attention and interest, and then efficient treatment by the people of our state.

Respectfully submitted,

MELVIN J. ALLEN,

Chaplain.

SOLICITOR'S REPORT

To the Commissioners for the County of Merrimack:

GENTLEMEN:—In accordance with custom and the statute governing Solicitors, I herewith hand you my annual report covering the activities of my office from January 1, 1916, to December 31, 1916, inclusive.

At the April, 1916, Term of the Superior Court, the Grand Jury returned the following list of 30 indictments against 26 respondents:

Selling intoxicating liquor,	2
Enticing female under 18 years,	1
Adultery,	8
Disorderly house,	1
Pandering,	1
Larceny,	4
Breaking and entering,	10
Burglary,	1
False pretences,	1
Abandoning infant under four years of age,	1
	30

The commitments during the April, 1916, Term were as follows:

House of Correction,	3
Jail,	3
State Prison,	1
	7

In addition to the commitments made during the April

1916, Term, the other cases in which indictments were found by the Grand Jury were disposed of by the Court by the imposition of fines and costs and in some cases by the imposition of sentences to be suspended during good behavior, and in other instances the cases were continued for sentence in the discretion of the Court.

At the October, 1916, Term of the Superior Court the Grand Jury returned the following list of 40 indictments against 21 respondents:

Breaking and entering,	25
Larceny,	5
Manslaughter,	2
Robbery,	1
Burglary,	1
Adultery,	1
Embezzlement,	5
	40

The commitments during the October, 1916, Term were as follows:

State Prison,	4
Jail,	2
Industrial School,	2
	8

The other cases were disposed of according to their merits in the discretion of the Court on recommendation of the Solicitor.

In State v. Geo. V. Hill the cases were not disposed of during the time I was Solicitor on account of the ill health of the respondent.

In accordance with your instructions I settled the cases of W. J. Holmes v. Merrimack County, including damages and costs, for $229.88, and the case of F. E.

Holmes v. Merrimack County, including damages and costs, for $139.44.

In re Estate of Mary Storin I appealed on behalf of the County from the decree of the Probate Court. That appeal is now pending in the Superior Court and was ready to be disposed of in regular course at the April, 1916,Term. You will recollect that you asked me for an opinion as to the rights of the County and I advised you that under the law the County is entitled to the entire $533.75 involved. Counsel for the Storin heirs, however, has been negotiating for a settlement and the Chairman of the Board authorized me on behalf of the County to state to council for said heirs that if the executor would pay over to the County the sum of $400 the case would be compromised on that basis. This has not been done during the period of time covered by this report and the matter is still pending.

There were as usual varied appeals from Municipal and Justice Courts throughout the County. These were disposed of by the Court according to their various merits.

Having decided not to again be a candidate for County Solicitor I became a candidate for membership in and was elected to the House of Representatives for the 1917 session. Accordingly in order to obviate the possibility of any embarrassment whatever in the performance of my legislative duties I tendered my resignation as Solicitor to take effect January 1, 1917. My resignation was accepted and Mr. William W. Thayer, who had been elected my successor, was appointed by the Court to fill out the unexpired term.

In addition to the desire on my part not to be the holder of these two public offices at the same time, there was another reason for my resignation. Under the law as it is now the Solicitor for Merrimack County takes office April 1st following his election in November. The Court comes in on the first Tuesday in April in Merri-

mack County and the new Solicitor is confronted with the heaviest Grand Jury session of the year with but scant time to prepare himself to present intelligently a large number of cases for the consideration of the Grand Jury. It seems to me that the Solicitor in this County should take office on January 1st next following his election in November, so that he will have from January to April to familiarize himself with the duties of his office, and be able to handle the County's business at his first Grand Jury session with efficiency and despatch. Accordingly I have introduced a bill in the Legislature providing that the County Solicitor of Merrimack County shall hereafter take office January 1st next following his election. This bill has passed the House and is up for hearing in the Senate. I can think of no reason why it should not pass, as my successor by reason of his appointment by the Court will have had a full two year term by January 1, 1919, and I confidently expect that hereafter the law will be changed in this respect.

I am as firmly convinced at the close of my four years as Solicitor as I was at the close of my first year of the necessity of a State Police Force. I caused a bill to be introduced in the Legislature of 1915. This bill did not pass. I have drafted a bill and have introduced it under my own name at this session of the Legislature and I find that the subject is arousing much more attention throughout the state this year than ever before. I was very much gratified to note that Governor Keyes in his inaugural address advocated the creation of such a body of police and the prospects for the passage of this bill are much brighter.

Respectfully submitted,

ROBERT C. MURCHIE,
Solicitor for Merrimack County.
